**Safety, Health, Environment & Welfare (SHEW) Manager**

**Job Reference Number: LSSL0010**

**Grade PO7/PO8 - £44,632 - £50,523**

**Closing Date: Tuesday 30th June, 2020**

Liverpool Streetscene Services Ltd established in 2016 is a wholly owned subsidiary company of Liverpool City Council who sit at the heart of creating exceptional standards of environmental cleanliness and public realm services for residents, communities and local businesses across the city of Liverpool.

As a direct service provider, Liverpool Streetscene Services Ltd are responsible for the refuse and recycling collection service, street cleansing, grounds maintenance, highways maintenance and parks and green space maintenance contracts throughout the city of Liverpool. These services are key to ensuring the city of Liverpool remains clean, green and accessible to all, helping to develop and maintain local civic pride.

We are ambitious, both as an organisation and as a city. Our plans for growth coupled with the high standards that we set for our services requires exceptionally talented individuals who will be enthusiastic about being part of this organisation.

Liverpool Streetscene Services Ltd (LSSL) are looking to recruit a safety, health, environment and welfare manager to provide comprehensive advice, support, guidance and co-ordination of work systems and practices to ensure the organisation meets the highest quality standards and provides working conditions which are favourable and safe for all employees.

The successful candidate will positively promote the importance of all aspects of Safety, Health, Environment and Welfare compliance at both strategic and operational levels through proactively collaborating and supporting the Senior Leadership Team, Service Managers, Supervisors and Trade Unions. The successful candidate will ensure compliance in all health and safety responsibilities whilst implementing Safety, Health, Environment and Welfare strategies and the associated initiatives, processes, procedures and policy framework.

In this role, you will act as the appointed competent person under the Management of Health and Safety at Work Regulations (1999) and will determine the strategic direction and work priorities of this developing organisation. We are after an individual who can champion and promote the highest standards of compliance and working practice in line with legislation requirements, company policy and best practice.

The successful candidate will be responsible for the safe management of all sites and premises LSSL operate from to ensure full compliance in line with HSE requirements and regulations.

To fulfil the requirements of the role a relevant HSE qualification such as a degree, NVQ/HNC Level 6 in Occupational Health and Safety or NEBOSH diploma is essential. You must have significant experience in a senior role with a focus on Health, Safety, Environmental and Welfare preferably in a related discipline for example waste, environmental services or highways/transport.

- Opening and closing of Greenbank premises, including College and Sports Academy.
- Maintaining the heating and lighting across all premises.
- Undertake PAT testing across the estate, ensuring all portable electrical appliances are safe to use.
- Health & Safety matters included in standard documents covering working practices.
- Undertake and complete Health & Safety risk assessments across Greenbank estate.
- Oversight of delivery, use, recording and monitoring of all essential services e.g. gas, oil, water, electricity consumption and have a regard to the need for energy conservation and management.
- Maintaining adequate levels of consumable items and equipment.

- Cleaning and maintaining satisfactory standards of appearance of designated areas not covered by alternative arrangements, e.g. outside areas, drains, boiler houses, stores etc.
- Cleaning of non-routine nature, to include the removal of graffiti and spillage during occupation.
- Portage duties, receive goods delivered and distribute to correct department or location on site.
- Liaise with Police and Fire Officers in the event of damages or community emergency.
- Liaise with contractors and other site visitors as necessary, ensuring works and inspections are completed to the required standards.
- Responsible for the audit of stock control.
- Organise security patrol staff when required.
- Assist GB Estate Advisor/CEO with Fire Evacuation procedures (including the testing and resetting of the fire alarm/s).
- Undertake the safety checks in water temperature guidelines and other required checks i.e. legionella.
- Attend Greenbank Health & Safety Committee meetings.

The duties/responsibilities listed above describe the post at the time of writing and is not intended to be exhaustive. The Job holder is expected to accept reasonable alterations and additional tasks of a similar level that may be necessary.

#### **Additional vacancy details**

We are an equal opportunities employer and welcomes applications from all suitably qualified persons regardless of their race, sex, gender, gender reassignment, disability, religion/belief, sexual orientation or age.

We are committed to safeguarding and promoting the welfare of children, young people and vulnerable adults and adhering to the requirements of the Equality Act 2010.

Applicants should note that the successful candidate will be asked to apply to the Disclosure and Barring Service.
